I am so glad you are inquiring! I hope to get the chance to play a special role in your big day. Here are a few things you should read to get started with the process!

Here on the bayou, I LOVE custom designs and creating unique buttercream cakes that are the focal point of each event. I will be able to provide a specific quote for you when we have discussed certain details.

Wedding Cakes:

Naked cakes typically start at \$3.70 per slice.

Fully-iced buttercream cakes typically start at \$3.95 per slice.

- Please keep in mind that your order may not be calculated solely on the number of servings. Wedding cakes are a custom work of art and pricing reflects this. It may be priced based on size, design, detail and other factors.

I ask that if you have a very specific budget, please let me know because custom cakes require plenty hours of work and designing/pricing them is the start to that beautiful process.

Groom's Cakes:

Each desired groom's cake requires different time commitments and ingredient amounts. They are calculated based on size and design.

Delivery:

For setup and delivery, I charge \$1 per mile round trip. I absolutely recommend this for all weddings and large events. If someone picks up your cakes, I am not responsible after it leaves my shop.

Cake Stand Rental

I rent a variety of cake stands for \$30 per stand.

Please return the stand one week prior to the event date.

Please clean your stand with a warm rag to get any remaining cake or icing off.

If you have a particular stand in mind for your event, please let me know and I will be more than happy to look into buying one like it.

Please email me back with the following things answered:

(Copy & paste option)

-Wedding Date

-Total Guests Expected (not invitation count)

-Wedding Ceremony Location + Start Time

-Wedding Reception Location + Start Time

-Do you need a cake stand? (\$30 per stand) How Many?

*Delivery will be added unless noted otherwise

- For both cakes, please send inspirational photos that you love from websites like Pinterest, Google, the knot.com, etc. I aim to create original cakes so each will usually be changed in some type of way to create your very own "one-of-a-kind" cake! If you have no idea what you are looking for, send the wedding invite, decoration samples, a few cakes that you "like" just to get a feel of what style of cakes you do like, and anything else that will help me draw out your perfect cake. After these specifics are discussed, your drawings will be created, prices will be established, and an email/message will be sent your way for review!

Tastings and Consultation

In Person-

I will provide a complimentary cake tasting/consultation for each wedding or large event. During this time I will get to know you better and discuss the final

details of your order to make sure that your cake will be created perfectly. You will have the chance to sample six flavors of cake along with six fillings of your choice. I strive to make this personal and the “sweetest” part of wedding planning! Please allow up to 30/60 minutes for your tasting. I recommend only bringing one-three people. If you have color swatches, cake toppers, cake pulls, etc., please bring these for me to hold onto. If you have not ordered anything for your cake yet, I can get them at a later date. At the end of your appointment, I require a 50% nonrefundable deposit during the consultation. Cake tastings/consultations will most likely take place Saturdays. Your final balance is due one month prior to your wedding date.

- **Please note that I will discuss design and quotes BEFORE the tasting/consult time. You will then choose to commit once you taste the cake!**
- A 50% non-refundable deposit will be needed at the time of your tasting.

Pickup-

I realize that some couples are very eager to sample their cake and choose flavors. I know it's a fun part of the process! In the event that we are full for tasting dates for a few months and you'd like to pick up your samples earlier rather than waiting for an in-person date, this is 100% acceptable. Your nonrefundable deposit of 50% will be due one week prior to tasting and commitment has been made.
